Terms of Use- carnoise.wtf Web Site

1. Acceptance

By using this website, user agrees to the terms outlined below, and having read the User Guide available at solanum-service.com/documents and at carnoise.wtf

2. Types of data collected

If allowed by the user, the app collects a 6-second audio signal from the device microphone. No other data is collected.

3. Use of collected data

The collected audio signal is sent to Solanum, LLC or its contractors, for processing to determine if the audio signal contains the signature of certain engine problems.

4. Storage of collected data

Collected data is stored and used for training predictive models.

5. Terms

Other than any usage credits granted to new accounts, all services provided by this website are to be paid for in advance. Solanum's liability to you is limited to the fee paid for any use of the carnoise.wtf web site.
